

WEEK 4

LIVE IT ALL WEEK

Upper Elementary Take Home Paper for Families**What Your Child Learned Today**

Some days are busy, some are relaxing, and some are in between. But today, we learned that all of our days are good because of Jesus. And no matter what the day has in store, Jesus will be there to provide strength and grace to face the day.

Try This

Today your child made a daily planner. Create a list of ways that your family can draw closer to God and serve others. Think of several ideas for the upcoming week.

Living in Wisdom: The Wise Wife

- Scripture: Proverbs 31:10–31
- Big Idea: God gives us wisdom. He tells us not to worry, but to find strength and peace through Jesus. He also teaches us to value the things that last.
- Memory Verse: “Her children stand up and call her blessed.” Proverbs 31:28a

**SOMETHING
ELSE TO DO**

Why not try a job swap? Though each of our jobs is important, we don't always appreciate the hard work of other family members. Why not give each other's chores or jobs a try? Parents, do one of the chores assigned to your children. Children, cook a meal, do a load of laundry, or have your parents teach you a new task. Then, discuss how you've grown in understanding.
