

WEEK 2

Live It All Week

Lower Elementary Take Home Paper for Families**What Your Child Learned Today**

Today your child learned that God provides us with wisdom. Through the writings of Solomon and the teachings and life of Jesus, we learn that God wants us to trust him and that he will show us how to act fairly, love mercy, and walk humbly with him. Your child learned several ways to show wisdom in everyday life and was encouraged to trust Jesus to guide them and help them as they grow in their faith.

Try This

Pick one of the proverbs from today's Scripture. Set it to a hand clapping rhythm. Teach the rhythm and proverb to your child. Laugh together as you try to keep the rhythm going, or see who can go all the way through without stopping.
