### **Why are you interested in representing Christ Church as a Diocesan Delegate?**

I am a lifelong member of the Episcopal Church, specifically, Christ Church Greenville. I was baptized here, confirmed here, spent my young adult years very active in Cursillo and the Young Adult ministry here. I also spent several years on the Episcopal Diocese of Upper South Carolina Cursillo Council and served as president.

I look at this church as an extension of home. I was lucky to spend thirteen years as a student at CCES and was the last class to spend Primer through Sixth grade on the Lower School Campus. We attended church every Monday am and Chapel every Thursday am. So many of my formative memories take place at Christ Church. I would be honored to represent the church as a delegate to the Diocesan Convention and would spend time in prayer and discernment to ensure I voted according to the wishes and needs of our congregation.

**Christ Church Activities** Mentor to Student Leadership Team; member of Markley Chapel Singers; Confirmation Mentor; Liturgy/Music Committee for One Love Weekend; Cursillo.
