

**Receiving Holy Communion in the Episcopal Church**  
All baptized Christians are welcome to receive the Bread and Wine of Holy Communion, the sacrament of Christ’s Body and Blood. This is done by holding out your hands to receive the bread. To receive the wine guide the chalice to your lips, or dip the bread into the wine. You may choose not to receive the wine. If you do not wish to receive Communion or have not been bapitized, you may come forward to receive a blessing from the priest. Please indicate this by folding your arms across your chest. Gluten-free wafers are available to those who need them, and are kept and administered separately from the other wafers. Please indicate your desire for a gluten-free wafer to the priest. If you have not been baptized and wish to be, please speak to one of the priests following the service.

*If you are unable to come forward to receive Holy Communion, please notify an usher and the clergy will bring the sacrament to you in your pew.*
