UTO Week of Gratitude

During this unprecedented time, the church finds itself constantly adapting our programming. This affects the nature of our offerings such that we may need to adapt the events listed in the calendar in order to keep our church family safe. We ask your grace and understanding as we seek to provide our offerings in a safe and enjoyable manner. We look forward to a time when these measures can be eased, and all gatherings will fully resume as planned. Please be sure to check our website at [www.ccgsc.org](http://www.ccgsc.org) or contact our office at 864.271.8773 for the most up to date information on any event listed in this calendar.

It is hard to have a discussion today without there being political and racial tension. In this quarter's class, the Rev. Kellie Wilson will teach us how to Actively Listen when we find ourselves in these situations. This skill can help lessen tensions and even serve as a starting point for Christians, with God's help, to be vehicles of reconciliation. We will be looking at the lectionary assigned each week. We are excited about this NEW offering and encourage you to join us. Contact Hannah Flack, [hflack@ccgsc.org](mailto:hflack@ccgsc.org) for the Zoom information.

### United Thank Offering (UTO) Gratitude week

**The Week of January 24**

Did you know that Christ Church recently received a UTO grant for the launch of our Choral Academy? The Episcopal Diocese of Upper South Carolina has a long history of receiving grants, including one authored by Christ Church several years ago for latrines in Haiti These grants are funded by Episcopalians like us all around the world by simply showing gratitude daily for all our blessings. Learn and be a part of the amazing ministries UTO supports during our UTO gratitude week.
